

Pumpkin Bread

The Ingredients

- 1 box pumpkin bread mix
- 1 cup cinnamon chips
- 1 individual container applesauce
- 1/2 cup chocolate chips
- 1 cup milk
- 2 eggs
- 1/2 cup pumpkin puree

Combine ingredients. I used a Pampered chef individual loaf pan. You can also use 3 3x5 inch pans, or 1 9x5 inch pan. Bake at 375 degrees for 45-50 minutes for the 9x5, 40-45 for the 3x5 and 30-35 for the individual loaf pan.

The cinnamon chips make the pumpkin bread amazing. You can also add nuts if you like. I usually freeze my bread for leftovers.

Yum!
